

## Give Kids The World Participants

In 1986 when Henri Landwirth first realized the need for an organization like Give Kids The World, he could only hope for corporate and business support for the idea. The tremendous generosity of the sponsors and contributors listed below has enabled Give Kids The World to provide your week of wonderful memories. If you have any special memories that were provided by our generous sponsors, please let them know. Our corporate and business participants and love to hear from our families.
